

Step1:

Goto to the page: <http://deauville-meets-deauville.com/index.php?id=194>

The screenshot shows a web browser window displaying the registration page for 'deauville-meets-deauville.com'. The page title is 'Create a new user-profile'. The form contains the following fields and elements:

- Username * (text input, value: test)
- Password * (password input, value: *****)
- Repeat Password * (password input, value: *****)
- Firstname (text input)
- Lastname (text input)
- Address (text input)
- Telephone (text input)
- Email * (text input, value: peter@leinen-trier.de)
- ZIP (text input)
- City (text input)
- Country (text input)
- Country (dropdown menu, value: Please choose ...)
- Website (text input)
- Image (file upload area with 'Upload' button)
- Gender (radio buttons for Female and Male, Male is selected)
- Birthdate (text input)
- 'Create Profile Now' button (highlighted with a red circle)

and fill out at least the fields:

Username
Password
Repeat Password
Email

and hit the button „Create Profile Now“. Now one of the two think may happens.

1. An error occurred
2. Everything is ok

Look on the following pages for more information.

If you enter your birthday, please note the format MM/DD/YYYY or DD.MM.YYYY, which differs from language to language. Important to use two digits (with a leading 0) for the day and the month and four digits for the year. Also important to separate this by the delimiter „/“ or „.“ which depends also on the language.

An error occurred

The screenshot shows a web form titled "Create a new user-profile". It contains several input fields: "Username *" with the value "resr", "Password *" with three dots, and "Repeat Password *". Below the "Repeat Password *" field, there is a red-bordered error box. The error message reads "Error" followed by "Field Repeat Password is required" and "Please check your value". A red arrow points to the error box from the left, and another red arrow points to a small 'x' icon in the top right corner of the error box. Below the error box, there is an empty input field and the label "Firstname" above a partially visible input field.

Look at the required fields for an error, fill the information or correct them. Remove the error by clicking on the cross on the upper right corner of the error box.

Now hit the button again and look what happens!

Everything is ok

Look at the green info box at the top of the form.
